

Dear FRA Member,

THIS MEMBER BENEFIT OPPORTUNITY, TRICARE SELECT & PRIME SUPPLEMENT INSURANCE PLANS (MILICAREPLUS), IS RESERVED FOR SHIPMATES IN GOOD STANDING

FRA members have access to the FRA-endorsed TRICARE Supplement Insurance Plans (MilicarePLUS). MilicarePLUS helps pay your family's covered medical expenses — doctor visits, lab tests, prescription drugs, outpatient treatments and Hospital stays. You can choose between the following supplement plans and select the plan that best fits the needs of you and your family.

MilicarePLUS TRICARE SELECT Supplement Plans include the following:

- **MilicarePLUS TRICARE SELECT Supplement - Basic Plan (Retired and Active Duty Plans)**—The Basic Plan pays basic benefits ... **100%** of the allowed amount TRICARE Select leaves you to pay after you pay the TRICARE Select deductible and MilicarePLUS deductible (\$300 per person, \$600 for families). It's your best bet if your doctor accepts the TRICARE
- **MilicarePLUS TRICARE SELECT Supplement - Choice Plan (Retired and Active Duty Plans)**—Here's how it works: The Choice Plan pays your TRICARE Select copayment once you pay the TRICARE Select deductible and MilicarePLUS deductible (\$250 per person, \$500 for families). Then, if your covered medical bills are more than what TRICARE Select allows also known as excess charges, the Choice Plan will pay up to 115% of the TRICARE allowed amount.
- **MilicarePLUS TRICARE SELECT Supplement - Select Plan (Retired and Active Duty Plans)**—Here's the FRA-endorsed option that offers the highest coverage when you meet the TRICARE deductible. The Select Plan option doesn't have a deductible; the supplement will begin paying once you satisfy your TRICARE deductible. The Select Plan will cover excess charges up to 115% of the TRICARE allowed amount.

Or, there is also a supplement available if you are a retiree covered by TRICARE Prime.

- **MilicarePLUS TRICARE PRIME Supplement (Retired Plan - no deductible)**—Teamed with TRICARE Prime, MilicarePLUS helps pay your out-of-pocket costs. That's because MilicarePLUS pays your copayments, including your prescription drug cost-share. MilicarePLUS doesn't cover service received under the TRICARE Prime Point-of-Service Option and doesn't cover the enrollment fee for retired members.

Regardless of the plan option you select, you have access to these valuable benefits:

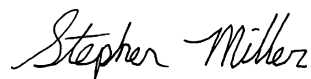

- **Guaranteed acceptance***: MilicarePLUS is specifically designed for FRA members and their families (It's not available to the general public). You, your spouse and dependent children cannot be turned down. Simply complete and return the enclosed form and you're in!
- **Valuable Benefit**: MilicarePLUS works with TRICARE Select and Prime to help pay the covered medical bills these plans leave behind — after you meet any applicable TRICARE and MilicarePLUS deductibles. So cost-shares for doctor visits and trips to the hospital are paid by MilicarePLUS.
- **Covers you for new health conditions right away**: From the very start of your coverage, you'll be protected for any new illnesses or injuries. Any current health conditions will not be covered for twelve months. (If you switch from employer-sponsored protection because you move, change jobs or retire, or if you leave Active Duty, this twelve-month waiting period can be waived.)
- **Helps take care of your family**: Your surviving spouse and dependent children can continue coverage under the plan as long as they continue to pay for their coverage and we are notified within 31 days your death.
- **Affordable group rates**: Thanks to the group buying power of your fellow FRA members, you qualify for economical group rates. Review the enclosed rate information for more details based on the MilicarePLUS option you choose.

The Benefits Summary enclosed provides more details about these and other features of the plan.

Then to enroll, simply complete and return the enclosed Enrollment Form. Send no money now. Once your form is processed, we will then send you a bill.

We look forward to your participation in this valuable FRA-endorsed program.

Answers to the most commonly asked questions about MilicarePLUS

Q. I know TRICARE Select pays only part of my medical bills. How will MilicarePLUS help?

- A.** First, the MilicarePLUS Select Plan pays your TRICARE Select copayment after you pay the TRICARE Deductible. The Choice Plan picks up your TRICARE Select copayment after you satisfy the TRICARE Deductible and MilicarePLUS deductible (\$250 per person; \$500 for families).

Then, if your covered medical bills are more than what TRICARE allows (also known as excess charges), the Choice and Select Plans pick up 100% of these covered costs. Please note that doctors and medical providers who do not accept assignment are prohibited from charging you more than 115% of the amount TRICARE allows. Therefore, MilicarePLUS Choice pays only up to this amount.

MilicarePLUS helps pay your family's covered medical expenses—doctor visits, lab tests, prescription drugs, outpatient treatments, Hospital stays, x-rays, physical therapy and more.

Q. My doctor accepts the TRICARE assignment. What plan makes sense for my family?

- A.** More than likely you need the MilicarePLUS Basic Plan. The Basic Plan pays 100% of the allowed amount TRICARE leaves you to pay for medical charges. This occurs after you pay your TRICARE Select deductible and MilicarePLUS deductible (\$300 per person; \$600 for families). And your ACCEPTANCE IS GUARANTEED¹.

Q. Can my family continue coverage if something happens to me?

- A.** Yes. Your surviving spouse and dependent children can continue coverage under the plan as long as they continue to pay for their coverage and we are notified within 31 days your death.

Q. Will Pre-Existing Conditions be waived if I no longer have employer health insurance?

- A.** You qualify for MilicarePLUS with no waiting period for current health conditions if you sign up within 30 days after your employer-sponsored plan ends because you are no longer an eligible participant (for example, if you change jobs, move, or retire).

Q. I'm currently on active duty assignment. What happens when I retire?

- A.** When you retire, if you enroll within 60 days of the date your Active Duty coverage ends, and your family is currently covered under the MilicarePLUS Active Duty TRICARE Supplement, you may qualify to waive the waiting period for current health conditions under your TRICARE Select or Prime Supplement plan.

Q. Will I need a physical to request coverage?

- A.** No. Simply complete the information on the enclosed Enrollment Form. Then return it in the postage-paid envelope. **Please don't send money now.**

Q. Is there a guarantee with MilicarePLUS?

- A.** Yes. MilicarePLUS includes a 30-day, NO-HASSLE GUARANTEE. If you decide MilicarePLUS is not for you, just return your Certificate within one year of your effective date. We'll refund your money, less any claims paid. No questions asked.

Q. What if I terminate my enrollment in TRICARE Prime? Can I still have coverage?

- A.** As an FRA member in good standing, you can enroll for the MilicarePLUS Basic and Choice TRICARE Select Supplement Plans. Simply call the FRA-endorsed Insurance Programs for an Enrollment Form. Your Pre-Existing Condition period for your TRICARE Select Supplement will be reduced by the amount of time you were continuously enrolled in the TRICARE Prime Supplement Plan.

Q. What if I am currently covered by the TRICARE Select Supplement and later decide to enroll in the TRICARE Prime Supplement?

- A.** Simply notify the FRA-endorsed Insurance Programs of your enrollment in TRICARE Prime and your coverage will be shifted to the MilicarePLUS TRICARE Prime Supplement Plan. All we need is a copy of your Prime card and your and your Activation Form. Your Pre-Existing Condition period for your TRICARE Prime Supplement will be reduced by the amount of time you were continuously under the TRICARE Select Supplement.

Q. When does my MilicarePlus protection begin?

- A.** Your MilicarePLUS protection begins on the first day of the month after your enrollment form and first premium are received, as long as you're a Shipmate in good standing. If on the date that you are to become covered under the Policy you are Confined to the Hospital or Skilled Nursing Facility, your coverage will be deferred until the first day after you are discharged.

¹This policy is guaranteed acceptance, but it does contain a Pre-Existing Conditions Limitation. Please refer to this fact sheet for more information on exclusions and limitations, such as Pre-Existing Conditions.

Q. Can I enroll my family?

A. Yes. You can enroll all or part of your family. Your spouse qualifies for coverage if he/she is not legally separated or divorced from you, unless you are required to provide coverage for such spouse by court decree. Spouse must also be under age 65 and not eligible for Medicare, and not on active duty. Your unmarried children can qualify for coverage up to age 21, or age 23 if full-time students, or 26 if covered under TRICARE Young Adult.

Eligibility restrictions: If both You and Your Spouse are Members and are eligible for coverage, coverage may not be duplicated by applying as Dependents of each other and both cannot enroll Dependents. No Covered Person can be insured as a Dependent of more than one Member under The Policy.

Confined or Confinement means being an Inpatient in a Hospital (or Skilled Nursing Facility) due to Sickness or Injury.

Pre-Existing Condition Limitation

During the first 12 months of coverage, losses incurred for Pre-Existing Conditions are not covered. A Pre-existing Conditions means any Injury or Sickness for which medical care is received by the Covered Person within the 12 consecutive months prior to the date the Covered Person's insurance starts or within the 12 consecutive months prior to the effective date of the Covered Person's increase in coverage. During that time, benefits for all other accidents or illnesses will be paid under the policy provisions. You are urged to consider this limitation before dropping any coverage you may have until the waiting period is over. If your dependents are currently insured under the Active Duty Supplement with FRA and you join the MilicarePLUS Retired Plan within 60 days of your discharge from active duty, we will credit you with continuity of coverage from your dependents' prior effective date.

Termination

Your coverage will end on the earliest of the following: the date The Policy terminates; the date You are no longer in a class eligible for coverage, or The Policy no longer covers Your class; the date the required premium is due but not paid, subject to the Individual Grace Period; the date You Request We terminate Your coverage; the date You cease to be covered under TRICARE; the date You return to Active Duty; the date You cease to be a Member of the Policyholder; the date You attain Age 65 unless You are not eligible for Medicare and can provide documentation of such from the Social Security Administration; the date You become eligible for Medicare (unless You reside in an area where Medicare is not available. Coverage will not terminate until You reside in an area where Medicare is available); unless continued under the Continuation Provisions. In addition to the events listed, if Your coverage was continued in accordance with the Widow or Widower's Continuation provision, Your coverage will end on the Premium Due Date on or next following the date You remarry or enter or enter into a legal relationship recognized as a spouse.
